At Murrey's and American Disposal, we are committed to providing our customers with options that will help **YOU** make the right choice to reduce your monthly bill.

**4 Easy Ways to reduce your overall disposal bill:**

- 1) **Participate** in the Recycling Program to receive and remove the Recycling Incentive fee.
- 2) Learn **what** to recycle and encourage others to participate.
- 3) **Reduce and Reuse** to minimize what you are throwing away.
- 4) Evaluate your garbage **container size or collection frequency** for the most cost effective service.

Residential recycling in Pierce County is governed by the County's minimum service level ordinance and is a mandatory pay/voluntary subscription service. If you choose to participate in the recycling program, you will receive a **lower** overall bill. We provide curbside recycling and will pick up on a biweekly basis -- the same days as your solid waste collection. It's easy and saves resources. We provide a 96-gallon wheeled recycling cart. Items accepted are conveniently listed on the lid for verification. For more information and processing requirements, please contact our office or visit the County's website at [www.piercecountywa.org/recycle](http://www.piercecountywa.org/recycle). (Click on link to curbside recycling.)

ACTIVELY **RECYCLING** WILL REDUCE YOUR BILL.

Since glass products are **excluded** from the comingled recycling program, we have placed glass drop-off sites throughout the County for your convenience.

**Glass Drop Off Sites**

1. **Buckley**, 29393 Hwy 410, Rose's IGA
2. **Fife**, Corner of 70<sup>th</sup> Ave E & Levee Rd
3. **Fife**, 5400 Pacific Hwy
4. **Gig Harbor**, 4425 Burnham Drive, Eagles
5. **Gig Harbor**, 8502 Skansie Ave, Boys & Girls Club
6. **Milton**, 2800 Milton Way, Behind Albertson's
7. **Orting**, 401 Washington Ave S
8. **Purdy**, 14515 54<sup>th</sup> Avenue NW
9. **Puyallup**, 176<sup>th</sup> & Meridian, Hidden Valley
10. **South Prairie** Rd & Prairie Ridge Rd
11. **Sumner**, 13114 63<sup>rd</sup> Street East

**Recycling Drop-Off Sites:** To recycle a variety of items please visit the Pierce County website at <http://wa-piercecounty.civicplus.com/index.aspx?NID=1539> for a list of locations you may drop off recycling for free.

On a subscription basis we offer **Yard Waste** recycling. Customers receive a 90-gallon wheeled container for their use, to be placed at the curb on collection day. Please do not put plastic bags or other unacceptable material in the yard waste container.

**Acceptable Yard Waste:** Leaves, grass, weeds, shrubs, and other compostable organic materials from pruning. Brush, branches and roots cannot be larger than 4 inches in diameter and must fit into the container with the lid closed.

**Unacceptable Yard Waste:** Stumps, demolition wood, rocks, glass, plastics, flowerpots, metal, concrete, sheetrock, asphalt, ashes, or other non-organic debris such as pizza boxes. Also, bones, food, manure and animal waste, or dirt will not be accepted. **Extra yard waste should be placed next to your container in untied compostable bags.** Yard waste placed in plastic bags or non compostable bags will not be accepted. A small additional fee will be charged for each extra bag.

**Garbage Container Size:** Selecting the correct container size is important. Container service is available in most areas for service needs between 1 and 6 cubic yards. Keep in mind, overfilled or overweight containers, additional bags, boxes, etc.. will cost extra. Please be sure your containers are accessible on your scheduled day(s) of service. Be sure to select the container size that meets your needs and give **recycling** a chance to work for **YOU!**

On March 1, 2016, the tipping fee in Pierce County increased by 0.60% or from \$144.97 per ton to \$145.84 per ton. This change is reflected in your rate and was calculated according to the requirements of the Washington Utilities and Transportation Commission. Instead of sales tax on garbage service, the State of Washington charges a 3.6% Refuse Collection Tax
