*Our goal is to provide our customers the best possible service in a courteous, effective manner, showing respect for those we are fortunate to serve.*

At Murrey's and American Disposal, we are committed to providing our customers with options that will help **YOU** make the right choice to reduce your monthly bill.

Residential recycling in Pierce County is governed by the County's minimum service level ordinance and is a mandatory pay/voluntary subscription service.

Residential customers that choose to participate in the recycling program, receive a **discounted** garbage rate. We provide curbside recycling and will pick up on a biweekly basis -- the same days as your solid waste collection. Recycling is easy and saves resources and we provide a 96-gallon wheeled recycling cart. Items accepted are conveniently listed on the lid for verification. Businesses are strongly encouraged to recycle as a way to help the environment and reduce the amount of waste being sent to the landfill. There are a variety of recycling services available in your area, including options for recycling plastics, aluminum, paper, and cardboard. Recycling is easy and saves resources. For more information and processing requirements, please contact our office or visit the County's website at [www.piercecountywa.org/recycle](http://www.piercecountywa.org/recycle). Please contact our office to learn more about how **recycling** can work for **YOU!**

**ACTIVELY RECYCLING MAY REDUCE YOUR BILL.**

**Recycling Drop-Off Sites:** To recycle a variety of items please visit the Pierce County website at <http://wa-piercecounty.civicplus.com/index.aspx?NID=1539> for a list of locations you may drop off recycling for free.

On a subscription basis we offer **Yard Waste** recycling. Residential customers receive a 90-gallon wheeled container for their use, to be placed at the curb on collection day. Please do not put plastic bags or other unacceptable material in the yard waste container.

**Acceptable Yard Waste:** Leaves, grass, weeds, shrubs, and other compostable organic materials from pruning. Brush, branches and roots cannot be larger than 4 inches in diameter and must fit into the container with the lid closed.

**Unacceptable Yard Waste:** Stumps, demolition wood, rocks, glass, plastics, flowerpots, metal, concrete, sheetrock, asphalt, ashes, or other non-organic debris such as pizza boxes. Also, bones, food, manure and animal waste, or dirt will not be accepted. **Extra yard waste should be placed next to your container in untied compostable bags.** Yard waste placed in plastic bags or other non compostable bags will **not be accepted**. A small additional fee will be charged for each extra bag.

**Garbage Can or Container Size:**

Selecting the correct size is important. A standard can is 32-gallons. Container services may be available for service needs between 1 and 6 cubic yards. Drop box containers may be available between 20 and 50 cubic yards. Keep in mind, overfilled or overweight

Since glass products are **excluded** from the comingled recycling program, we have placed glass drop-off sites throughout the County for your convenience.

cans, additional bags, boxes, or cans larger than 32-gallons will cost extra. Be sure to select the number of cans that meets your needs and give **recycling** a chance to work for **YOU!** On March 1, 2016, the tipping fee in Pierce County increased by 0.60% or from \$14.97 per ton to \$145.84 per ton. This change is reflected in your rate and was calculated according to the requirements of the Washington Utilities and Transportation Commission. Instead of sales tax on garbage service, the State of Washington charges a 3.6% Refuse Collection Tax.

**Payment Options:** You may pay by mail with check, money order, or a credit card payment can be made by phone or through our website. We accept Visa, MasterCard, and American Express. For our online bill pay option, please visit [www.murreysdisposal.com](http://www.murreysdisposal.com). Payments can be made at our office (4822 70<sup>th</sup> Ave E, Fife, WA 98424). Office hours are 7:30am-5pm (Mon.-Fri.).

**\*\*\*NOTE:** Our drivers work all holidays except Thanksgiving Day, Christmas Day and New Year's Day. Following **these Holidays**, if they fall on a weekday, pickup will be **one day late** for the remainder of the week.
