

At Murrey's and American Disposal, we are committed to providing our customers with options that will help you make the right choice to reduce your monthly bill. Below you will find helpful tips and information to make your experience with Murrey's and American Disposal the best it can be.

Recycling

4 Easy Ways to reduce your overall disposal bill:

1. Participate in the Recycling Program to receive a discounted garbage rate. Actively recycling will reduce your bill.
2. Learn what to recycle and encourage others to participate.
3. Reduce and Reuse to minimize what you are throwing away.
4. Evaluate your garbage cart size or collection frequency for the most cost effective service.

Recycling in Pierce County is governed by the County's minimum service level ordinance and is a mandatory pay/voluntary subscription service. If you choose to participate in the recycling program, you will receive a discounted garbage rate. We provide curbside recycling and will pick up on a biweekly basis the same days as your solid waste collection. Recycling is easy and saves resources, and we provide a 96 gallon wheeled recycling cart. Items accepted are conveniently listed on the lid for verification. For more information, please contact our office or visit the County's website at www.piercecountywa.org/recycle.

Since glass products are excluded from the comingled recycling program, we have placed glass drop-off sites throughout the County for your convenience.

Glass Drop-Off Sites

1. **Bonney Lake:** 18411 89th St E, Justice Center
2. **Bonney Lake:** 19911 South Prairie Rd E, Lowe's

11. **Orting:** 400 block of Washington Ave S

Recycling Drop-Off Sites

Visit the Pierce County website at www.piercecountywa.org/recycle for a list of free recycling drop-off locations.

Yard Waste

On a subscription basis we offer Yard Waste recycling. Customers receive a 90-gallon wheeled container for their use, to be placed at the curb on collection day. Please do not put plastic bags or other unacceptable material in the yard waste container.

Acceptable Yard Waste

Leaves, grass, weeds, shrubs, and other compostable organic materials from pruning. Brush, branches and roots cannot be larger than 4 inches in diameter and must fit into the container with the lid closed.

Unacceptable Yard Waste

Blackberry bushes, scotch broom, stumps, demolition wood, large amounts of dirt, rocks, glass, plastics, flowerpots, metal, concrete, asphalt, bones, ashes, manure and animal waste, or other non organic debris such as pizza boxes. Extra yard waste should be placed next to your container in untied compostable bags. A small additional fee will be charged for each extra bag. Yard waste placed in plastic bags or non-compostable bags will not be accepted. *Please remember food waste is not an acceptable yard waste item.*

Garbage Collection

Garbage Cart Size

Selecting the correct size is important. A standard cart is 35 gallons and a mini cart is 20 gallons. We offer weekly or once-a-month service – *be sure your cart(s) and recycling containers are at curbside by 7:00 a.m.* Be sure to select the number of carts that meets your needs and *give recycling a chance to work for you.*

For disposal of large and bulky items like furniture and appliances, please contact our office to schedule a special pick-up.

On March 1, 2017, the tipping fee in Pierce County increased by 5.24% or from \$145.84 per ton to \$153.48 per ton. This change is reflected in the rate and was calculated according to the requirements of the Washington Utilities and Transportation Commission. Instead of sales tax on garbage service, the State of Washington charges a 3.6% Refuse Collection Tax.

Payment Options

You may pay by mail with check, money order, or a credit card. Payment can be made by phone or through our website. We accept Visa, MasterCard, and American Express. For our online bill pay option and recurring payments, please visit www.murreysdisposal.com. Payments can also be made at our office (4822 70th Ave E, Fife, WA 98424). Office hours are 7:30am - 5:00pm (Mon. - Fri.).

Holidays & Inclement Weather

Holidays

Our drivers work all holidays except Thanksgiving Day, Christmas Day and New Year's Day. See the chart below for the 2017-2018 schedules:

Regular Pickup Day	Thanksgiving Day	Christmas Week	New Year's Week
Monday	No change	Tuesday	Tuesday
Tuesday	No change	Wednesday	Wednesday
Wednesday	No change	Thursday	Thursday
Thursday	Friday	Friday	Friday
Friday	Saturday	Saturday	Saturday

Inclement Weather

If we are unable to provide service due to weather and/or road conditions your driver will take extra bags/carts on your next regularly scheduled pick up equivalent to your missed service at no additional charge. No credit will be issued for missed pick up due to inclement weather. Please call our office to confirm if your service was delayed due to weather.

Regulation Information

Garbage and recycling services are regulated by the Washington Utilities and Transportation Commission.

1300 S Evergreen Park Drive SW, Olympia, WA 98504
 PO Box 47250, Olympia, WA 98504
comments@wutc.wa.gov
 1-800-562-6150

You may obtain a copy of the Commission's brochure by request from the Washington Utilities and Transportation Commission at the toll free telephone number or email address above, or by contacting our office at the phone or email address below. Upon request, we are happy to forward a copy of the Commission's Consumer brochure electronically.

In addition, at our address below, the following items are available for review and inspection during business hours:

- The WUTC's solid waste rules, chapter 480-70 WAC
- The Company's current certificate
- The Company's current rates and regulations/tariff
- The WUTC Consumer Brochure
- A map of the Company's service territory
