

At Murrey's and American Disposal, we are committed to providing our customers with options that will help you make the right choice to reduce your monthly bill. Below you will find helpful tips and information to make your experience with Murrey's and American Disposal the best it can be.

## Recycling

### 4 Easy Ways to reduce your overall disposal bill:

1. **Participate** in the Recycling Program to receive and remove the Recycling Incentive fee.
2. Learn **what** to recycle and encourage others to participate.
3. **Reduce and Reuse** to minimize what you are throwing away.
4. Evaluate your garbage **container size or collection frequency** for the most cost effective service.

Residential recycling in Pierce County is governed by the County's minimum service level ordinance and is a mandatory pay/voluntary subscription service. If you choose to participate in the recycling program, you will receive a lower overall bill. We provide curbside recycling and will pick up on a biweekly basis--the same days as your solid waste collection. It's easy and saves resources. We provide a 96-gallon wheeled recycling cart. Items accepted are conveniently listed on the lid for verification. For more information, please contact our office or visit the County's website at [www.piercecountywa.org/recycle](http://www.piercecountywa.org/recycle).

ACTIVELY **RECYCLING** WILL REDUCE YOUR BILL.  
Contact our office today for a free waste stream evaluation.

On March 1, 2017, the tipping fee in Pierce County increased by 5.24% or from \$145.84 per ton to \$153.48 per ton. This change is reflected in the rate and was calculated according to the requirements of the Washington Utilities and Transportation Commission. Instead of sales tax on garbage service, the State of Washington charges a 3.6% Refuse Collection Tax.

Since glass products are excluded from the comingled recycling program, we have placed glass drop-off sites throughout the County for your convenience.

### Glass Drop-Off Sites

1. **Bonney Lake:** 18411 89th St E, Justice Center
2. **Bonney Lake:** 19911 South Prairie Rd E, Lowe's

### Recycling Drop-Off Sites

Visit the Pierce County website at [www.piercecountywa.org/recycle](http://www.piercecountywa.org/recycle) for a list of free recycling drop-off locations.

## Garbage Container Size

Selecting the correct container size is important. Container service is available in most areas for service needs between 1 and 6 cubic yards. Keep in mind, overfilled or overweight containers, additional bags, boxes, etc. will cost extra. Please be sure your containers are accessible on your scheduled day(s) of service. Be sure to select the container size that meets your needs and give recycling a chance to work for you!

For disposal of large and bulky items like furniture and appliances, please contact our office to schedule a special pick-up.

# Payment Options

You may pay by mail with check, money order, or a credit card. Payment can be made by phone or through our website. We accept Visa, MasterCard, and American Express. For our online bill pay option and recurring payments, please visit [www.murreysdisposal.com](http://www.murreysdisposal.com). Payments can also be made at our office (4822 70th Ave E, Fife, WA 98424). Office hours are 7:30am - 5:00pm (Mon. - Fri.).

# Holidays & Inclement Weather

**Holidays:** Our drivers work all holidays except Thanksgiving Day, Christmas Day and New Year's Day. See the chart below for the 2017-2018 schedules:

Regular Pickup Day	Thanksgiving Day	Christmas Week	New Year's Week
Monday	No change	Tuesday	Tuesday
Tuesday	No change	Wednesday	Wednesday
Wednesday	No change	Thursday	Thursday
Thursday	Friday	Friday	Friday
Friday	Saturday	Saturday	Saturday

**Inclement Weather:** If we are unable to provide service due to weather and/or road conditions your driver will take extra bags/carts on your next regularly scheduled pick up equivalent to your missed service at no additional charge. No credit will be issued for missed pick up due to inclement weather. Please call our office to confirm if your service was delayed due to weather.

# Regulation Information

Garbage and recycling services are regulated by the Washington Utilities and Transportation Commission.

1300 S Evergreen Park Drive SW, Olympia, WA 98504  
 PO Box 47250, Olympia, WA 98504  
[comments@wutc.wa.gov](mailto:comments@wutc.wa.gov)  
 1-800-562-6150

You may obtain a copy of the Commission's brochure by request from the Washington Utilities and Transportation Commission at the toll free telephone number or email address above, or by contacting our office at the phone or email address below. Upon request, we are happy to forward a copy of the Commission's Consumer brochure electronically.

In addition, at our address below, the following items are available for review and inspection during business hours:

- The WUTC's solid waste rules, chapter 480-70 WAC
- The Company's current certificate
- The Company's current rates and regulations/tariff
- The WUTC Consumer Brochure
- A map of the Company's service territory
